Meet the team

EMILIO CEBALLOS

Territory Manager

I started at Ritchie Bros. in June 2019. I have been working as a TM for about a year and a half. I cover the south of Spain: western Andalusia, including also Malaga and Extremadura.

At Ritchie Bros. you don't have time to get bored. There are a lot of clients. As the auction gets closer, the level goes up. A day at Ritchie Bros. can be summed up in miles, many trips, and many customers. Also, there is an important part of organization. For example, I dedicate Mondays to organize the rest of the week to practically go shooting the following days.

Ritchie Bros. is the first company I work for where we have nothing. Let me explain: I come from the world of renting and there – at least – I had a car, I had a product. We have nothing here at Ritchie Bros. but a sale guarantee service. Basically, I believe that Ritchie Bros. is one of the few companies in which the customer receives service in a different way: you are a fantastic channel for them to lose excess weight quickly when they have to. Many clients have thanked us that their companies are open today, thanks to Ritchie Bros. so for me, Ritchie Bros. is a company like no other.
