## Territory Manager South Africa

*I started working at Ritchie Bros. in 2015 as a Trainee Territory Manager in Dubai, learning all the ins and outs of the auction business. A year and a half later, I got relocated to South Africa and now I am the Territory Manager for South Africa and its border countries. In my day to day work, I help customers who want to buy or sell equipment, I introduce new customers to our business, I follow up on deals, appraise equipment, do market research and analyze and keep track of business opportunities.*

*What makes our company unique, is that we utilize all aspects of the used equipment world like no other company does, helping sellers achieve the best results. Having more than 40 auction sites around the globe, and getting demand from all over the world gives customers a lot of unprecedented options.*

*My tip is to keep browsing our website, and to sign up for inventory updates – you will find what you are looking for in no-time.*
