Meet the team

MONIKA FARYS-BAREJKO

Digital Marketing Specialist

I started working for Ritchie Bros. in 2014 as a Sales Assistant. For many years I have assisted customers from Poland and Russian speaking countries in the process of buying and selling heavy equipment at auctions. In 2020 the door opened for me to a career in the digital marketing department, where I am currently developing my skills and expanding my knowledge.

I always help my customers to understand the auction conditions because I want to ensure that they fully get our auction business. I explain to them the concept of our unreserved auctions where the price is set by customers, not by us or the seller. I want the customers to be confident and conscious of what they do. I love meeting with them. Experiencing and seeing how interested they are in our auctions make me feel a great sense of satisfaction with my work.
